Load Out: A Forklift is available, we are glad to assist you with any loading help you may need. You must show the Auction Staff your ticket to load out. No loading with the forklift will happen until the Auction crowd is a safe distance from the area where the loading will take place. **NO LOADING ON SUNDAY.** We will be open after the Auction and 9 am to 4 pm Monday After the Auction. Any other loading arrangements will have to be made by appointment with the office.

Customers load at their own risk and discretion. Lambrecht Auction & Real Estate claims no responsibility for any damage to customers' vehicles or merchandise while receiving assistance from company forklifts.

Storage: Lambrecht Auction & Real Estate requires that you have your inventory out of our yard by the Friday following the Auction. If this is not possible, then make arrangements with the office. We bear no responsibility for inventory that is left in the yard after the Auction. The longer the items sit in the yard, the greater the likelihood of damage or theft.

Inventory for Sale: We make our best attempts to sell materials the way that you are accustomed to buying them at lumber yards. All flooring is sold by the square foot, Molding is sold by the lineal foot, Dimensional Lumber and most everything else is sold by the piece, unless otherwise noted. The quantity in the catalog is a good indicator of how the items are going to be sold. If the quantity is one, then either there is one item or the entire pile will be sold for one price.

Inventory is not available for sale outside of Auction. We are not a retail lumber yard, our building material business is strictly through Auctions.
